APRIL 21, 2018 - 1 P.M.

FORT SMITH LIVESTOCK AUCTION - MOFFETT, OKLAHOMA

**SELLING 116 HEAD
AS 98 LIMOUSIN LOTS**

TERMS AND CONDITIONS...

All cattle sell under the standard terms of the North American Limousin Foundation. Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. All settlements are to be made with the cashier immediately following the sale.

LIABILITY...

All persons who attend the event do so at their own risk. None of the owners of the cattle or the facilities or anyone associated with the planning or conducting of this event assume liability, legal or otherwise, for any accident that may occur.

SUPPLEMENTAL INFORMATION...

A supplement sheet will be made available. All supplemental information and comments made during the sale take precedence over this printed material.

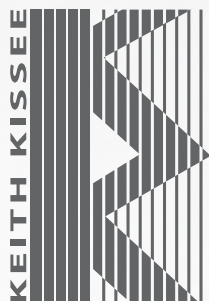

TRUCKING...

All efforts will be made to work with purchasers in trucking their purchases throughout North America.

EPDS...

Current as of Spring 2018. EPDs may change by the time cattle are transferred and new registration papers are issued.

OFFERED BY: ABELE CATTLE COMPANY

CALO Escobar 309E ET is a breed-leading Lim-Flex herd sire from the dynamic ET program at Abele Cattle Company. As a part of the show string, this yearling bull has been a noted bull that has made many friends within the breed. He is from fresh genetics from the sire side, and some of the most dependable in the breed from the dam side. His lineage is available to advance the industry through the exclusive pedigree and blood.

Colburn Primo 5153 has become one of the most exciting breeding bulls in the Angus breed. His progeny have been continual in championships, and his consistency has been uncommonly realized through ET and natural breeding. Paternal sisters and brothers to this young sire are among the most highly regarded in the industry.

L7 Yuma 122Y is a powerful donor female in the Abele Cattle Company program. She has been mated with several sires and all have been exceedingly successful. The female has trait-leading EPDs, and her phenotype is superior in the Lim-Flex gene pool.

This is one of the top Lim-Flex breeding bulls to sell this spring.

OFFERED BY: ABELE CATTLE COMPANY

CALO Endless Love 1130E is a homozygous polled November-born heifer calf from the highest quality genetics and family heritage. She is from rich and valuable genetics that form both sides of her pedigree. The young show heifer prospect is a candidate for some of the most competitive shows this coming year. She is perfectly balanced, big topped and free wheeling. She is a perfect combination of all the best attributes of both her sire and dam.

TYEJ-TNGC Formula One 321 is one of the best breeding sons of CALO Brickyard 902W. He was one of the most competitive show bulls during his show career, and he has become a great breeding bull.

Her dam, CALO Abby 1210A, is a noted and accomplished breeding female in the Abele breeding program. Her dam, in turn, is one of the foundation breeding females in the program, as well.

No accident at all, this young heifer calf has the genetic backing to become one of the great show heifer calves to show this year, and a great breeding female beyond.

MCBN TARGET 705T | Lot 82

THE ROUNDUP SALE - APRIL 21, 2018

THE ROUNDUP SALE

Jess and Reba Caldwell of Skiatook, Oklahoma have been tremendous supporters and breeders of fullblood Limousin. Upon retirement, Jess set out at acquiring some of the best females he could find. He bought significant herd sires to move the genetic improvement even faster and make the quality of the future generations even more consistent and uniform. Never great in numbers, the Caldwells focused on improving each and every calf crop. In the sale inventory of The Roundup, the Caldwells are dispersing their herd. The entire herd sells. Complete and updated breeding information will be available sale day.

LIMOUSIN TODAY PROFIT TOMORROW

"We calve late March through April. The calves average 600-700 pounds when we sell in November. The Limousin and Lim-Flex® females calve easy, are gentle, and highly fertile to breed back right away. Plus they remain productive in our herd. We think they are the way to go."

– Charlie Carnahan, rancher, Kiowa, Colorado

Limousin and Lim-Flex® (Limousin x Angus hybrid) deliver to your bottom line.

- | | |
|----------------------------------|----------------------------|
| ‡ Calving ease & calf vigor | ‡ Tested & proven docility |
| ‡ More pounds to sell at weaning | ‡ Cow & bull longevity |
| ‡ Feed efficiency | ‡ Carcass merit |

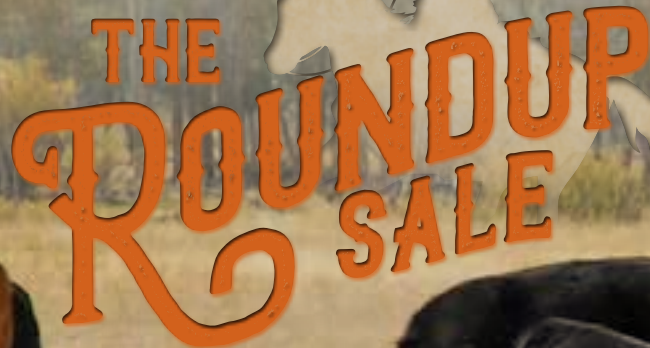

To find out more about how you can profit tomorrow with Limousin or Lim-Flex® bulls and females, contact a NALF regional manager, Andy Rest or Nathan Smith, or visit www.NALF.org.
