### Division Champion 2018 Kentucky State Fair

HB Fantasy 802F is a dazzling display of pedigreed beef cattle excitement. The heifer calf was one of tremendous interest and intrigue by all that have seen her on the HB Farm or recently at the Kentucky State Fair. The show heifer is from two of the most electrifying individuals in the Red Angus breed. Her sire, Six Mile Signature 295B captivated the industry by his overpowering success in the major shows throughout North America. The many times champion has now become one of the great breeding bulls in the industry. The deceased bull has a limited amount of progeny and semen, and the heifer calf that sells here will qualify as one of his very best. Her dam is never miss breeding female. She produced ENG D Cruel Girl 5032C, the Reserve Grand Champion Female at the 2016 NAJRAE for the Mawson Family in Missouri. The splendid heifer calf is cut from the most exclusive genetic fiber, and she is one of the most exciting and promising show heifer calves to sell this year. She is dramatic in every visual trait, and HB Fantasy 802F, is justly capable of fulfilling all fantasies as related to show ring and breeding power.

*Open- Ready for Immediate Transplant*

TC 3 Aces Fiona 90Z is a donor female from the very top of the 3 Aces breeding program. The female is the daughter of WEBR TC Card Shark 1015, the sire synonymous with the popular and competitive Red Angus seedstock that have won some of the largest show in North America. She, in turn, is from TC Fiona 48X, the Grand Champion Female at the 2010 NAJRAE, shown by Calli Bayer. This cow family has proven to be one of the most dominant in producing the kind that win and win BIG. The mature female has earned the right to be called and considered a donor female based upon the quality of her immediate progeny, as evidenced by the late May-born heifer calf at her side.

## OFFERING HALF INTEREST

U-2 Misty 160X is the most accomplished of all the Misty cow family generated in the U2 breeding program. The capacious, sound and big timbered female possesses a deep red coat color and she passes the attributes on to her progeny. Her striking profile and udder quality set her apart from the population of Red Angus females. She is big scoped in all dimensions from the ground upward.

She never misses and her progeny have been used in some of the great programs in North America. They have proven to be successful in the show ring and breeding pasture, alike. This is one of the most proven breeding females to sell this year. This is a chance to share in the ownership of this great cow along with HB Farms.

Top Line Red Princess 4041 has stood the test of time. She was one of the most successful show females affiliated with 3 Aces Cattle Co., and now, her progeny are becoming some of the most dominant individuals in the industry. Her son, 3 Aces Feel Good 2607 sells in this sale offering. The daughter of 3 Aces Sidways is an extension of the 3 Aces breeding program and this 2 time winner of the NAJRAE is a most important part of the 3 Aces donor pool. This is a great opportunity to obtain genetics from this substantial foundation breeding female.

#### Terms of the Flush

- One half purchase price due at sale time
- One half purchase price due at time embryos are received
- Buyer supplies semen
- All costs of the flush are covered by the hammer price
- Purchase price guarantees 10 embryos and 5 pregnancies if implanted by a certified technician
- The flush shall be conducted under the supervision of 3 Aces Cattle Co.

LOT 15 - 3 ACES FEEL GOOD 2607  
Grand Champion Bred and Owned Bull 2018 NAJRAE

## OFFERING HALF INTEREST AND HALF POSSESSION

3 Aces Feel Good 2607 is an impressive herd sire and show bull in the infancy of his show and breeding career. The son of WEBR Dr. Feel Good 1112 is one of the most impressive Red Angus bulls campaigned recently. The uniformly thick and strong topped bull is supported by his perfect moving feet and legs. The circumference of bone big foot is a hallmark of this outstanding family line that backs up the pedigree of this young bull. The future indicates nothing but success with this excellent herd sire

### Grand Champion 2018 Kentucky State Fair

From the ET program at HB Farms, this exceptional herd sire and breeding bull has made it's way to the top. HB Extra Effort 766E was born in an impressive and exciting group of ET calves. The dark red and boldly constructed bull captured the Grand Championship at the 2018 Kentucky State Fair, the one and only time he has been shown. He is a combination of some of the breed's very best lineage, and he has developed into one of the best sons of Bieber Deep End B597. His donor dam is a moderate and perfectly designed female sired by NBAR Hamley S913. Her level of production has earned her the right to be one of the significant donor females in the HB program. He was born into an elite group of individuals. His maternal sister, J BAR J Cattail, was the Division Champion Female at the 2016 NAJRAE. She is now a donor female in the Blair.AG Cattle Company. This is a most ambitious breeding bull offered by HB Farms.

J Bar J Cat Tail 551C - Maternal Sister to Lot 16

Bieber Deep End B597 - Sire of Lot 16

17

## PICK OF THE 2018 FALL BORN CALVES

SELECT FROM 65 ET OR NATURALLY-BORN CALVES

*at HB Farms*

30 LIMOUSIN/LIM-FLEX 20 ANGUS 15 RED ANGUS

The HB program is growing in both numbers and quality. The transplant program is increasing in size as donors of all three breeds become available for ET. The quality available from the breeding herd is becoming a source of some of the greats in the industry. Many calves will be on the ground at sale time. A complete and updated list will be made available sale day.

**Calves born from late August through late October - Selection must be made by May, 31 2019**  
**Terms: one half purchase price due sale day. The remaining one half purchase price due upon selection.**

3 Aces Lady 1065 is genetically derived from the most popular Angus genetics ever generated at Gamble Angus..This three year old female is a direct daughter of Gambles Lady 3016, the \$50,000 Gamble Angus Dispersal Sale high selling female in 2014. She, in turn, produced Gambles Lady 2021, the 2013 NJAS Grand Champion Cow/Calf Pair. This cow family has emerged over time as one of the greatest in terms of production of the most elite Angus seedstock in North America. 3 Aces Lady 1065 is the perfected version of this great cow family line, and she sells as a featured lot in the sale offering. The PR Black Friday 0244 is an absolute donor female, and she sells ready for embryo transplant.

3 Aces Georgina 3018 and 3 Aces Georgina 4028 are full sisters born into one of the greatest cow families of any breed anywhere. Their dam, Champion Hill Goergina 6318 is a cornerstone donor female from a powerful cow family that has generated countless champions and monumental seedstock sources for the entire Angus breed. The influence of this great family has been an overwhelmingly positive influence in the industry, and the two heifer calves that sell as lots 19 and 20 are significant additions to the entire cow family. A full sister, 3 Aces Georgina 2017, was a class winner at the 2018 NJAS. The March and April-born heifer calves sell as two of the most exciting prospects to sell this fall. Perfection at every turn makes these individuals ready for prime time.

HB Blackbird 713E is an attractive daughter of RB Tour of Duty 177. This is one of the top replacement females in the entire herd, and she was selected as fine addition to the sale inventory lineup. She traces to an efficient female generated in the Bridgeview Angus program.

LOT 34 - HB BLACKCAP 713E

LOT 35 - WLBL AVALON 608D ET

## OFFERING HALF INTEREST

WLBL Avalon 608D ET is most certainly one of the most accomplished females of the breed since her beginning eligibility in the shows. The female combines the very best of all aspects of registered cattle breeding into one perfectly constructed individual. She is genetically derived from the best in the industry, and all down the pedigree lineage from start to finish, she breaks through all benchmarks of excellence. The daughter of MAGS Zodiac carries forth the breed-leading performance and consistency of his progeny. WLBL Avalon 608D ET has proven to be one the very best daughters of the great breeding son of MAGS Winston. From the sire line, performance and maternal and carcass traits are steadfastly a perfected part of the pedigree. AUTO Avalon 222A has become one of the noted donor females in the HB program. Years of genetic enhancement are displayed in the progeny from this donor female. She traces to some of the most noted foundation blood of the breed.

This young heifer calf is a full sister to WLBL Avalon 608D ET. She is from the same image as her older and accomplished full sister, and she offers exceptional possibilities for the future. Her pattern and individual completeness makes her one of the top prospects to sell this year. The female is genetically derived from two of the breed's most respected individuals, and female of this magnitude is the result. These individuals are aiding in making these genetics one of the most noted cow families in the entire industry. As time goes by, this heifer calf will prove to be one of the great investments possible in the entire Limousin and Lim-flex industry.

HB Black Olivia 738E is one of the good females in the offering sired by MAGS Y-Axis. The Lim-Flex female is from the Olivia female that traces on farther back to the Black Cap line of exceptionally efficient Lim-Flex females in the HB breeding herd. This will prove to be one of the most highly efficient producing females in the offering. She comes from many years of selective breeding and refinement from the Black Cap family line.

## LOT 45 - HB CAMYRN 481B

HB Camryn 481B is a mature Lim-Flex female from some of the most secured and proven foundation blood in the industry. The daughter of LH Rodemaster 338R has a trait-leading 31 maternal EPD. The female has a bull calf at her side by MAGS Y-Axis. The maternal grand sire, TMCK Alfalfa 35X, has become one of the most solid producers of females in the industry. This is a proven female of well-documented production records, and she is a most significant addition to the sale offering from HB Farms. This is one of the favorite fall-calving females in the inventory.

## LOT 46 - HB XTRA TREAT 581C ET

HB Xtra Treat 581C ET is a beautifully constructed female from end to end, and she, like all daughters of MAGS Y-Axis, milks from an excellent udder attachment. Her bull calf by MAGS Zodiac adds to the significance of this exceptional pair, and the baby calf has all the makings of a herd sire. This is yet another of the good young pairs offered from the HB breeding program.

## BULL CALF HBBH890F

DOB: 9/4/18 Sire: MAGS Zodiac BW: 92 lb

LOT 47 - WLBL DUCHESS 662D

WLBL Duchess 662D has absolutely eye-popping EPDs built from some of the most intriguing genetics available in the industry. She is from the long line of greatness from EXLR 199H, one of the most prolific and fertile family lines in the breed. Every line of the pedigree of this great young female extends stability to this trait-leading individual, and few females in the breed has the pedigree depth as does this individual. Her bull calf at side by MAGS Y-Axis has the foundation of an excellent herd sire, and this is one of the perfected individuals in the breeding herd.

MAGS Y-Axis - Sire of Lot 48

HB Gal 680D is a first calf heifer with a flashy heifer calf at side by MAGS Aviator. The genetic combination represented here has resulted in this excellent young, hard working female. She is from some of the longest and oldest lines of both Limousin and Angus pedigrees that serve as the foundation platform for this young Limousin lot. With her life in front of her, she shall prove to be an excellent investment, and her heifer calf at side indicates she is off to a great start.

Due 10/1 to 10/30 to HB Bullseye 482B

WLBL Appreciation 685D ET is the daughter of MAGS Anchor from the TMCK Appreciation 315A, the former show heifer that has become one of the great breeding females in the industry. The strongest of performance lines have been merged with this excellent Lim-Flex female, and she carries on the greatness begun by her maternal and paternal ancestors. The breed is in strong hands with superb breeding females such as this young daughter of MAGS Anchor.
